PUBLIC RELEASE

NCBFG Enhances GoIPO Platform

NCB Financial Group Limited (NCBFG) through its wholly owned subsidiaries, National Commercial Bank Jamaica Limited (NCBJ) and NCB Capital Markets Limited (NCBCM), continues its digital penetration strategy via enhancements to NCBCM's GoIPO platform – an online resource that facilitates the electronic processing of initial public offer applications to make access to financial services easier for the investing public.

Customers of NCBJ who are "KYC compliant" or whose records are up-to-date will be able to open investment accounts online using the digital platform. This electronic account opening process also facilitates the automatic creation of a Jamaica Central Securities Depository account, which is a requirement for investing on the Jamaica Stock Exchange. The enhancement to the platform is timely to facilitate the TransJamaican Limited initial public offering, which is being arranged by NCBCM.
